FULTON WILL BE MET BY THE BAND

DINNER AT HOTEL PENDLETON
PLANNED FOR PROMINENT
REPUBLICANS ON OCT. 17.

Big plans are being made by the local republican organization for the Hughes rally October 17, when ex-Senator Fulton will be the speaker of the occasion.

The following statement as to the plans was made today by W. C. B. Pruitt, publicity man for the Hughes Alliance:

"To make Hughes Day, October 17, next Tuesday, the biggest political day in the history of Umatilla county the joint committees of the central committee and the Hughes Alliance met last night and outlined plans for a big demonstration on Tuesday evening when Hon. Chas. W. Fulton will be the speaker of the day.

"A committee of prominent men and women was appointed for every town and precinct in the county. For the local arrangements the committees as announced yesterday will have charge of the work.

"Where Are My Children?" at the Temple Tonight.

The program as outlined is to meet Senator Fulton at the train at 5 o'clock with the band and escort him to the Hotel Pendleton where there will be a big Hughes dinner and conference of the party workers.

"At 7 o'clock the parade will form for the evening demonstration. One hundred foot marchers will lead the parade, each marcher carrying a pennant which has inscribed on it,

"Hughes for President." These will be set off with big cars with big spot lights following the marchers. At the head of the parade will be the big Hughes picture and the flags. Following the foot marchers will come the automobiles with every occupant waving a flag. The parade will go down Main street, up Webb to College on College to Court and down Court to Main again. The band will lead

all the way. Following the parade there will be the address and other entertainment in one of the local show houses. There will be singing by a quartet and other musical numbers."

MOVIE SHOWS EAT UP CHANGE AND KEEP U. S. MINTS BUSY

WASHINGTON, Oct. 13.—The great business activity throughout the country is shown unmistakably in the unprecedented demand for subsidiary coins, according to F. J. H. von Engelken, director of the mint. The movie shows, for instance, certainly do eat up nickels and dimes.

Mr. von Engelken said that all three of the country's mints are working twenty-four hours each day trying to keep up with the immense demand for small coins, especially dimes, nickels and pennies. Between January 1 and October 1 there had been minted \$1,459,089 in dimes, as compared with \$615,000 in the same period of 1915; \$2,450,225 in nickels, as compared with \$1,158,895 for the same months of 1915, and \$35,094 in pennies.

The demand for half dollars has not been so great, but the quarters have been asked for. The mint had a goodly supply of these on hand but

in a few days will be turning out the new designs in half a quarter dollar. There was difficulty in preparing the dies for the new designs, but they are now nearly ready and the mints will be put to work upon them as rapidly as possible.

NO PAIN IN HUNGER, STARVATION SUBSTITUTE FOR VACATION HE SAYS

CHICAGO, Oct. 13.—A starvation period is an excellent substitute for a month's vacation in the mountains, according to Prof. Anton Carlson of the University of Chicago physiology department. He and an assistant went without food for five days and claim to have proved the theory. They continued their usual work during the entire period. It was announced today. "Occasional periods of starvation," declares Doctor Carlson, "say once or twice a year in the case of healthy adult persons, may not only add to the joy of living, but to the length of life. Our discomfort at no time was sufficient to interfere seriously with work. Accounts of acute suffering from mere starvation must therefore be wholly imaginary, or the result of fear or panic."

HAVARIAN HARVEST LESS THAN HOPED; RATIONS LOW

AMSTERDAM, Oct. 13.—The Bavarian minister of the interior states that the harvest does not justify the expectation that bread rations can be increased. Potatoes are scarcely sufficient and it is expected cheese tickets soon will be necessary.

CAR SHORTAGE ON S. P. REACHES TOTAL OF 2019

PORTLAND, Ore., Oct. 13.—The car shortage on the Southern Pacific lines in Oregon today reached the total of 2019. A message was telegraphed to William Sproule, president of the Southern Pacific company, by F. G. Donaldson, manager of the

Willamette Valley Lumbermen's association, giving notice that mills in the valley have now filled their storage space and are being compelled rapidly to shut down.

Every day will be fire prevention day by and by.

Persons are engaged in a holy war. That is what they all say.

Will Never Be Without This Simple Remedy

DR. CALDWELL'S SYRUP PEPSEN RELIEVED HER BABY WHEN NOTHING ELSE WOULD.

Little Max Pendergrast is now four years old, and a fine healthy boy. When but a tiny baby, in fact almost from birth, he suffered a great deal from constipation. His mother, Mrs. Carl W. Pendergrast, Red Key, Ind., heard of Dr. Caldwell's Syrup Pepsin, obtained a bottle of it from the drug store, and with it was able to quickly correct this condition. Mrs. Pendergrast says Dr. Caldwell's Syrup Pepsin has saved them from calling the doctor many times, and that she will never be without a bottle of it in the house to use when needed. She found it equally effective as a laxative for herself and other members of the family.

Dr. Caldwell's Syrup Pepsin is a combination of simple laxative herbs with pepsin, pleasant to the taste, mild in action and positive in effect. It does not gripe or strain and contains no opiate or narcotic drug. It is the ideal family laxative, mild and pleasant for baby, yet acting quickly on the strongest constitution. To avoid imitations and ineffective

substitutes be sure to ask for Dr. Caldwell's Syrup Pepsin. See that a facsimile of Dr. Caldwell's signature and his portrait appear on the yellow carton in which the bottle is packed. A trial bottle, free of charge, can be obtained by writing to Dr. W. B. Caldwell, 455 Washington St., Monticello, Illinois.
